Preventive Care Program

Save Money while keeping your employees healthy...

Welcome to EHP

EHP is transforming healthcare—breaking down barriers, providing unmatched convenience, delivering top-tier care, and ensuring access has never been easier. Life is demanding; your healthcare shouldn't be. With EHP, you're in control of when and where you receive care, backed by our dedicated team ready to assist you at every turn. This guide offers a comprehensive look at your EHP benefits.

Who is EHP?

EHP, The Employer's Choice specializes in innovative Self-Insured Medical Expense Reimbursement Programs (SIMERP) and tax-advantaged employee benefit solutions designed to significantly reduce payroll and FICA taxes for employers. Committed to meticulous compliance with IRS and ERISA regulations, EHP empowers employers to deliver exceptional wellness and financial benefits to their workforce.

EHP vs. Average Wellness Company

Employee Support Stands Out

Why Employer's Choice Stands Out	Employer's Choice	Average Fixed-Indemnity
Financial Benefits	2-4% Increase in employee pay. An annual benefit of \$650 per employee enrolled in the plan is credited to the employer.	Little to no incentive offered to either employers or employees.
Employee On boarding Support	Comprehensive on boarding sessions and materials.	Minimal or self guided resources.
Proactive Wellness Check-ins	Regular follow-ups to ensure employee management.	Reactive support upon request.
24/7 Employee Service	Round the clock assistance for employers and employees.	Standard business hours only!
Dedicated Support Team	Personalized account managers for each client/employee	Often limited to general help lines.
Multi-Channel Support	Phone, email, live chat, and mobile app available.	Primarily phone and e-mail.

****Financial Obligations:** Each enrolled employee utilizing the system will incur a monthly fee of \$40. The employer will receive an annual total credit of \$1,130 per enrolled employee. Consequently, the net cost to the employer amounts to \$480 per employee annually, with a remaining surplus of \$650 allocated to the employer.

Platform Overview

All-in-One Access

Centralized hub for urgent care, primary care, mental health, pharmacy and more.

24/7 Availability

Members can access urgent care and mental health support anytime, anywhere.

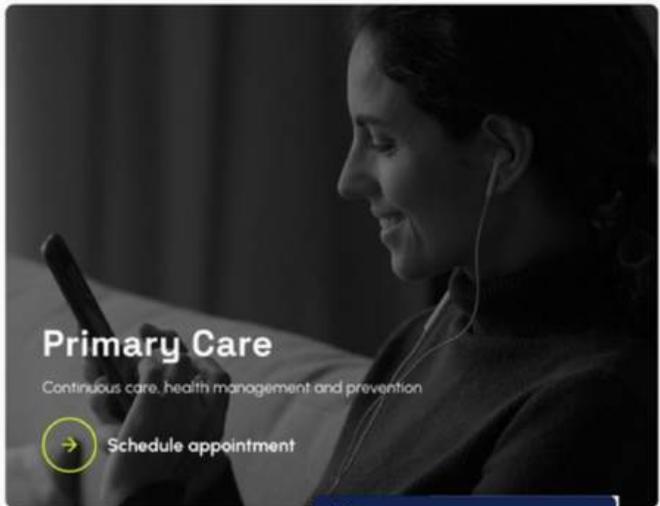

Easy Scheduling

Quick appointment booking for all services, with transparent availability.
