Gain 24/7/365 access through a mobile app and website

5 SIMPLE STEPS FOR EMPLOYERS...

We will be there to help you all the way.

Step 1

Payroll Census Reports:

Submit your business payroll report, Including W-2 status, to EHP to see if your employees are eligible for the EHP Plan

Step 2

Receive Eligibility Report for Review:

EHP provides you with an eligibility report to show you which employees qualify for the EHP Plan along with their individual tax savings.

Step 3

Approve Final Proposal:

Approve your proposal from EHP to begin the enrollment process for your employees

For more information please visit:
<https://www.getehp.com>

Step 4

Payroll Implementation:

EHP makes it easy by handling enrolment and payroll implementation for your business

Step 5

On boarding:

EHP provides informational Zoom sessions and written materials to help employees onboard, maximize their new benefits, and connect to our platform
